#### Helpful Tips:

- Our XS-XL are children's sizes and generally fit the approximate ages listed. (For women's sizes see chart below)
- Our mermaid tops are made from our high quality 4-way stretch fabric, and will stretch slightly when wet.
- Bikinis have flexibility, given that they tie in the back, so if you need a top and we are out of stock, you might want to consider getting the next larger or smaller size as you will be able to tie this and still make it fit. The cup sizes only vary by approximately 1/4 inch between each size.

#### How to Measure

- Measure the circumference around the chest just under the armpits.
- Measure around lower waist an inch or two below your belly button for the hem of the tankini top.
