

TIDES

Learn to scuba dive. Become a marine scientist. Explore the ocean.

SUMMER 2018 PROGRAM

Ages 12+

Your child's passport to the underwater world begins with the Ocean First Open Water Diver course. This class will introduce them to the exhilarating sport of scuba diving. As a TIDES graduate, they will gain the knowledge and skills necessary to be a safe, responsible, and conscientious diver. In addition to the open water certification, TIDES includes an introduction into marine science, helping to instill students with a sense of accountability and awareness. The class culminates in a weekend at Aurora Reservoir, where they will complete their four open water dives and be ready to explore the underwater world.

PROGRAM COST INCLUDES:

- SSI Open Water Certification
- *Ocean Literacy* marine science course
- Equipment package: mask, fins, snorkel, dive boots, mesh bag
- Use of rental BCD, computer, regulator, tank, & weights
- Two days of diving at Aurora Reservoir, Colorado

TOTAL COST PER STUDENT: \$950

.....

Class dates are based on number of participants. Class times will always be 12-3pm.
